"Here comes one going like the dickens; let 'er loose."

Jethro dropped the rope, the calf

rushed toward its mooing ma.

The trap was timed to the fraction of a second; the chauffeur had not time to avoid a collision; the big car hurled the calf in the air; it fell lifeless.

The chauffeur halted only to learn if the car had been hurt. Banks stepped from benind the tree and covered the

A MATTER OF HIGH POLITICS.

One of the wittiest of English peers is

twenty years he has been in the Second Life Guards.

The story goes that a friend once met him in Ireland garbed in a pair of continuations which were not on speaking terms with his boots, and chafted him mercilessly about the "lucid interval" that occurred between them. But "Tommy," as Lord Longford is known to his intimates, in nowise disconcerted, blandly explained that it was really a matter of high polities.

"You see, my dear fellow, the breeches were made by a tailor who is a rampant Orangeman, while the boots are the achievement of a Fenian cobbler, so how can you expect 'em to meet?"—London
